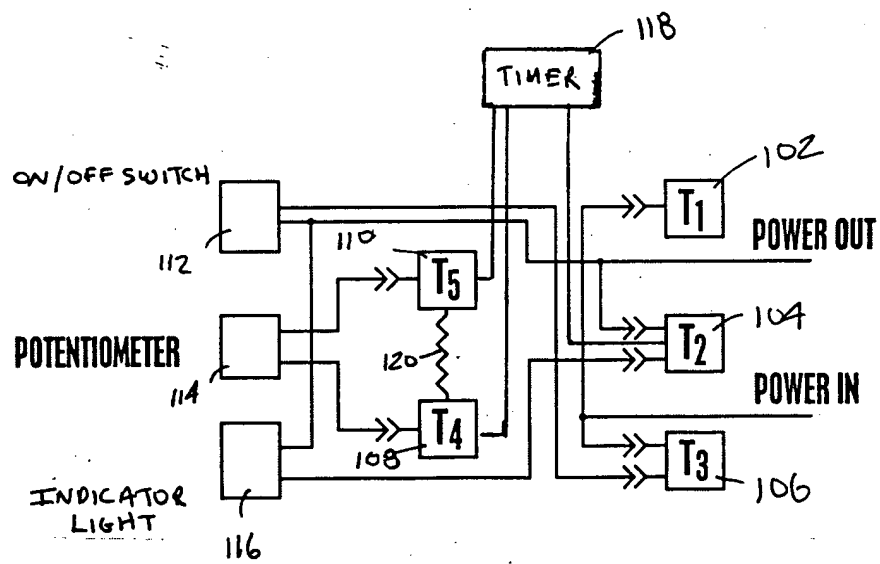

FIG. 6

A diagram illustrating hand posture angles. A hand is shown with the index finger pointing downwards. A dashed horizontal line represents the neutral position, labeled "neutral". The angle between the neutral line and the upper arm is labeled β . The angle between the neutral line and the lower arm is labeled α . The upper arm is labeled $+5^\circ$ and the lower arm is labeled -15° . The word "flexion" is written below the lower arm. A large curved arrow on the left indicates the range of motion from $+5^\circ$ to -15° .
